SUMMARY

Award-winning Graphic Designer and Photographer specializing in visual identity, UI/UX design, and studio photography. Known for bold storytelling and structured identity systems that translate concept into clear, purposeful design.

EXPERIENCE

California Baptist University, *Riverside, CA*

CAVAD Graphic Design Loft Assistant

SEP 2024 - APR 2025

- Supported students with Adobe Creative Suite tools, including Illustrator, Photoshop, and InDesign.
- Assisted with production setup, print preparation, and operation of Ricoh printers to ensure high-quality output.
- Guided multiple student projects in a fast-paced studio environment, strengthening communication, problem-solving, and attention to detail.

CAVAD Photo Studio Assistant

JAN 2023 - APR 2025

- Managed, organized, and tracked studio photography equipment to ensure availability for students and faculty.
- Supported daily studio operations by maintaining a clean, safe, and efficient workspace.
- Assisted students and faculty with cameras, lighting equipment, and industry-standard Canon printers, troubleshooting technical issues as needed.

LEADERSHIP & INVOLVEMENT

Program Director, AIGA CBU Chapter - American Institute for Graphic Artists

Aug 2024 - APR 2025, *Riverside, CA*

- Directed planning and execution of student design events, including speaker series and industry networking opportunities.
- Increased student engagement with the design industry through networking opportunities and educational events.
- Mentored emerging designers through workshops, portfolio feedback, and collaborative learning environments.

NOTABLE PROJECTS

- **Roots & Roux** - Senior Design Capstone
Developed a full brand system celebrating Creole heritage; led creative direction across cookbook, merchandise, and videos.
- **70th Grammy Awards** - Brand Identity
Bronze Inland Empire ADDY Award-winning project; reimagined the Grammys as a transformed musical experience, translating sound into motion, color, and typography.
